Re: No Further Action (NFA) Determination for U-Pump-It #823, 825 S Main, Brighton, Adams County, Colorado. (Event ID #12704, Facility ID #11368)

Dear Dave Cannon:

The Division of Oil and Public Safety (OPS) has reviewed the NFA request report for the above-referenced site received on February 23, 2017.

Based solely upon the information submitted, which shows no petroleum contamination at this site, OPS does not require any further investigation or remedial action at this time. If conditions change, OPS reserves the right to determine if any additional actions are necessary. This NFA letter is in reference to removal of three underground storage tanks on February 1, 2017, (OPS Tank Tag#s 11368-1, 11368-2, 11368-3).

OPS cannot release you from any liability that may be associated with any contamination at or from this site.

Please address correspondence regarding this site to me and if you have any questions, please contact me at (303) 318-8507 or via email at michelle.howard@state.co.us.

Sincerely,

Michelle Howard
Release Coordinator
Petroleum Program
